PROFILE SUMMARY

Versatile junior developer with a strong foundation in C++, C#, and experience in Unity and Unreal Engine. My background in cybersecurity provides a well-rounded technical base as I transition fully into game development. Currently focused on building environments, mastering engine workflows, and expanding my creative pipeline through supporting tools like Blender and cinematic editing.

PROJECTS

SwiftEdit:

- SwiftEdit is a lightweight, minimalistic text editor collaboratively developed to provide core functions like editing, saving, opening files, and basic formatting. Designed with students, programmers, and writers in mind, it offers a fast, efficient, and distraction-free environment – all without the steep learning curve of traditional software.
- Tech Stack:** C#, .NET, WinForms.
- GitHub Repo Link:** [SwiftEdit](#)

MedAI:

- Med-AI is a sleek web app worked that scans your symptoms from text and predicts possible diseases in a flash. Focuses on numeric data input to provide personalized insights and recommendations for improved health outcomes.
- Tech Stack:** React.js, Python, BERT, TypeScript.
- GitHub Repo Link:** [MedAI](#)

Ruins Beneath the Stone:

- A one-minute cinematic render set in an ancient cave environment, fully crafted in Unreal Engine 5. Focuses on high-fidelity lighting, foliage detailing, and real-time rendering workflows. Post-processed in DaVinci Resolve with ambient sound design and final grading for maximum atmospheric impact.
- Tools Used:** Unreal Engine 5 (Lumen, Nanite, Foliage Tool), DaVinci Resolve, Radeon 7600S, Quixel Megascans.
- Youtube Link:** [Ruins Beneath the Stone](#).

SKILLS

- Programming Languages:** C#, C++, C.
- Game Development and 3D Tools(Learning):** Unreal Engine 5, Blender, Unity
- Creative & Editing Tools:** DaVinci Resolve, GIMP, OBS Studio
- Additional Tools:** Git/GitHub, Linux
- Soft Skills:** Teamwork, Leadership, Communication, Time-Management

EDUCATION

Bachelors of Computer Applications

KLS Gogte College of Commerce, Belgaum | 2022-2025

- CGPA:** 7.01
- Certifications:** [Python Essentials 1 by Cisco](#), [Hardware Basics by Cisco](#).
- Achievements:**
 - **Winner:** 2x Inter-college technical events.
 - **Runner-up:** 3x Tech-Competitions (in-house and external).

Pre - University (Commerce Stream)

Rani Parvati Devi College of Commerce and Arts, Belgaum | 2020-2022

- Percentage:** 85%
- Achievements:** 3rd Best Article Award, 8th Rank in Commerce Major.
