PROFILE SUMMARY

Versatile junior developer with a strong foundation in C++, C#, and experience in Unity and Unreal Engine. Currently focused on building environments, mastering engine workflows, and expanding my creative pipeline through supporting tools like Blender and cinematic editing.

PROJECTS

Collection of Playable Unity Prototypes:

- A structured collection of Unity gameplay prototypes built while mastering core development systems. Covers player mechanics, object spawning, endless runner gameplay flow, wave-based systems, powerups, and full UI implementation. Each prototype demonstrates hands-on problem solving and iterative gameplay design.
- **Tech Stack**: C#, Unity3D.
- **GitHub Repo Link:** Prototype_Collection

Isometric Tactics Prototype – Grid, Pathfinding & AI:

- A Unity-built prototype featuring grid-based movement, custom editor tools for obstacle placement, BFS pathfinding, and responsive enemy AI. Developed from scratch to simulate turn-based tactical gameplay. Used Unity 2022.03.20f as it was the LTS version.
- **Tech Stack**: C#, Unity3D, 3D.
- **GitHub Repo Link:** Isometric Tactics Prototype – Grid, Pathfinding & AI.

Chaos Drop:

- A fully playable 2D arcade game focused on fast-paced reflex mechanics and difficulty scaling. Designed and developed from scratch to practice gameplay loops, state management, and UI systems.
- **Tech Stack**: C#, Unity2D.
- **GitHub Repo Link:** Chaos_Drop.
- **Unity Play Link:** Chaos Drop.

SKILLS

- **Programming Languages:** C#, C++, C
- **Game Development and 3D Tools(Learning):** Unity, Blender
- **Creative & Editing Tools:** DaVinci Resolve, OBS Studio
- **Additional Tools:** Git/GitHub, Linux
- **Soft Skills:** Teamwork, Leadership, Communication, Time-Management

EDUCATION

Bachelors of Computer Applications
KLS Gogte College of Commerce, Belgaum | 2022-2025

- **CGPA:** 7.01
- **Certifications:** Python Essentials 1 by Cisco, Hardware Basics by Cisco.
- **Achievements:**
  - **- Winner:** 2x Inter-college technical events.
  - **- Runner-up:** 3x Tech-Competitions (in-house and external).

Pre - University
Rani Parvati Devi College, Belgaum | 2020-2022

- **Percentage:** 85%
- **Achievements:** 3rd Best Article Award, 8th Rank in Commerce Major.

Secondary School Certificate - Percentage: 67%
St. Mary's High School, Belgaum | 2007 - 2020

LANGUAGUES

English (Fluent), **Hindi** (Native), **Kannada & Marathi** (Conversational), **German & Finnish** (Elementary)
